

QualiCHECK Roadshow
10 Years of Energy Performance Certificate
7 March 2016

In the framework of the QualiCHECK project, the Cyprus Institute organises a roadshow on “10 Years of Energy Performance Certificate”. The roadshow will be held on the 7th of March 2016 at the premises of the Cyprus Institute in Nicosia.

The roadshow provides a unique opportunity to professionals, technicians and all that are involved in the reliability of Energy Performance Certificate (EPC) declarations and the quality of the works to identify issues in respect to existing procedures, understand best practices for easy access to reliable EPC input data, and deliver improved quality of the works, as well as more effective compliance frameworks.

As can be seen from the enclosed agenda, distinguished speakers from Cyprus and abroad will deliver the various presentations.

The roadshow will be free of charge as it is organised in the framework of the QualiCHECK Project and is co-funded by the Intelligent Energy Europe Programme of the European Union.

The address of the Cyprus Institute where the training will take place is: Athalassa Campus, 20 Konstantinou Kavafi Street, 2121 Aglantzia, Nicosia, Cyprus.

For more information and participation in the roadshow please contact:
